ITEM TITLE: **Lynchburg Regional Airport Virginia State Police Hangar**

### RECOMMENDATION:

Approve a \$2,099 supplemental appropriation, fully reimbursable, to complete the State Police Hangar project at the Lynchburg Regional Airport.

### SUMMARY:

On June 12, 2001, Council appropriated \$558,103 to construct a hangar to lease to the Virginia State Police Aviation Unit. Although the hangar has been in use and leased since March 2002, several construction issues have been in negotiation for the past year. These negotiations are now nearing completion and total expenditures are projected to exceed the amount appropriated by \$2,099. Additional state airport entitlement funds are available to fund this overrun.

### PRIOR ACTION(S):

June 12, 2001          Lynchburg City Council (\$558,103 appropriation)

### FISCAL IMPACT:

Net appropriation of \$2,099 is the result of an \$7,281 increase in state aviation entitlement funds from the Virginia Department of Aviation and a decrease of \$5,182 in local airport capital funds.
